About Us

Development Bases is one of the leading translation offices in the industry, backed by a team of highly experienced professionals with more than 25 years of expertise. We specialize in providing comprehensive translation services in all languages across a wide range of specialized fields for both the public and private sectors.

In addition to document translation, we offer translation services for projects, websites, video and audio files, and digital content. At Development Bases, we are committed to accuracy, fast turnaround times, and thorough review of source texts throughout the translation process to ensure the highest quality standards.

We are dedicated to delivering professional, high-quality translation services and building long-term partnerships with our clients under our motto:

Your Satisfaction Is Our Goal.

Our Mission

To provide professional translation services that preserve the essence of the original text and accurately reflect its cultural identity with the highest standards of quality and professionalism.

Our Vision

To deliver the highest standards of quality in translation services and to become one of the leading offices in the translation industry.

Our Values

Our Values

1 .Excellence and Mastery

We believe that the quality of work is the foundation of trust; therefore, we are committed to delivering accurate translations that reflect the true meaning, while preserving the professionalism and cultural identity of the content.

2 .Precision in Execution

We operate according to clear organizational plans that guarantee highly efficient project execution and timely delivery, without compromising the quality of the results.

3 .Partnership and Communication

We build our relationships with clients on clarity and rapid interaction, with continuous follow-up ensuring a smooth and effective experience throughout all stages of the work.

4 .Continuous Development

We constantly strive to develop our tools and expertise to keep pace with the latest translation and localization technologies, providing more professional and innovative solutions.

We provide diverse services and flexible options that adapt to the nature of each project and the requirements of every client, ensuring the best possible value and quality.

OUR SERVICES

Linguistic Review and Editing

We offer professional language review and drafting, all content formats, with meticulous translation checking to ensure accuracy meaning, quality of style, and overall consistency of content.

1

Content Management

We strategically plan and manage content that reflects your brand's strength, by delivering clear, targeted, and polished messages that enhance your local and global market presence, helping you effectively reach and trust your audience.

2

Video Editing and Production

We perform professional video editing services across all video edits, with the addition of visual and audio effects and dedicated professional subtitling that elevates sight quality, giving it a more engaging and impactful character.

3

Voice-Over Services

We provide a diverse range of professional voices suitable for all projects and content types, whether advertising, educational, documentary, or training. The tone reflects the message's identity and enhances its impact on the target audience.

4

Our Clients

Our Clients

"Our list features an elite group of clients who have placed their trust in us, reflecting the quality of our services and our excellence in executing projects."

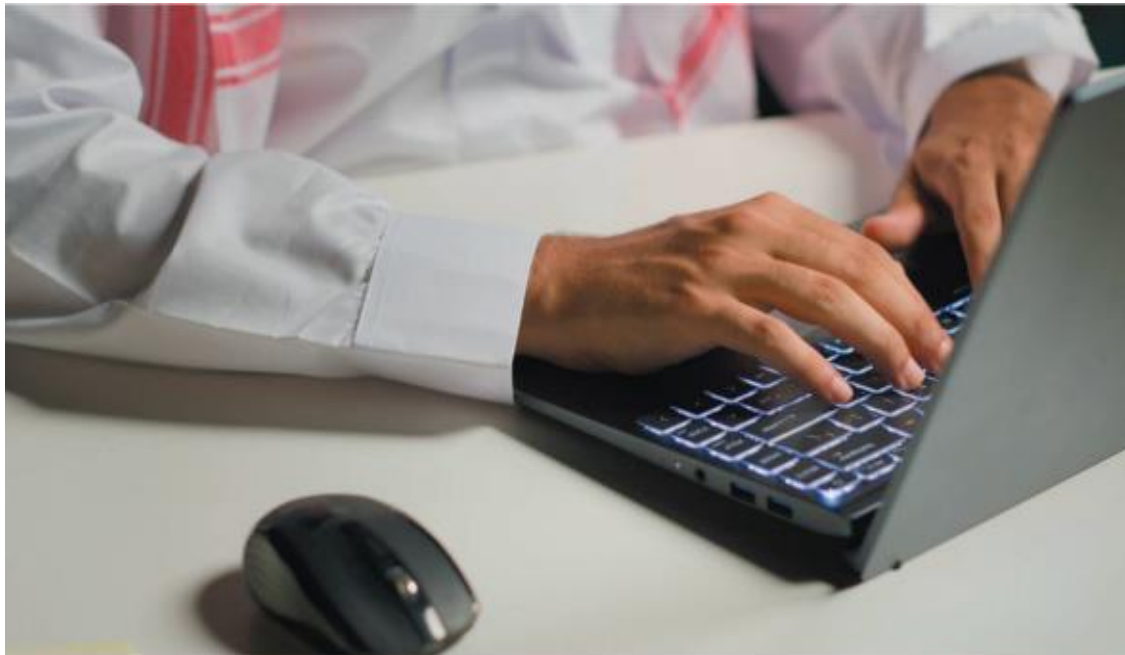

Aligning our services with Vision 2030

Invitation for Cooperation

At Development Bases, we are pleased to build strategic partnerships and fruitful cooperation relationships with various entities and institutions inside and outside the Kingdom, based on our belief in the importance of joint work built on professionalism, trust, and mutual commitment.

Through our integrated services and advanced solutions, we strive to deliver real value that supports the growth of your business and helps you achieve your future goals with high efficiency and quality, in line with your aspirations and in a way that enhances the long-term success of your projects.
